Dear Jeff:

I can easily call in - whatever works for you.

Thanks so much, ml

-----

Hi - If there is just the one person to call in, Marylou, it is just as easy to call the NWIFC number and get patched through to the meeting room. It is 360-438-1180. Or alternately, we can call out to her number if that is easier. There is no need to get the conference line if there is only one caller.

Though I haven't gotten to it yet, I will get out a list of agenda items in advance. There should not be any surprises.

Jeff

Hi Jeff,

I forgot to mention that Mary Lou Soscia would like to call in to the meeting from Portland. If possible, could you please provide us with the phone number?

Also, I will be out of the office from February 14 through February 20. If there are any last minute changes regarding the meeting during that time, please coordinate with Mary Lou (cc'd to this email). Her number is [503-326-5873](tel:503-326-5873).

Thanks,

Thanks Jeff. EPA's expected attendees are Jim Woods, Dan Opalski, Angela Chung and myself.

I assume we should come to the main entrance at the NWIFC office on 6730 Martin Way. If you could send me a list of the items you'd like to discuss by February 11, it would be much appreciated.

Thanks,

Hi Jeff,

Thanks for the response. Thursday, February 21st works best for us. Would meeting at NWIFC from 1:30-2:30pm work for you?

Also, if you could provide us a brief agenda of the items you'd like to cover prior to the meeting, that would be helpful.

Thanks,

Matthew Szelag

Sorry for the delay in responding. Andy Whitener is back in the office and I discussed this with him today. Regarding the dates you proposed, 1/31 is out, 2/11 would work, 2/13 probably won't work, 2/21 will work, and 2/22 will not. Naturally, the location of the meeting will help to resolve the workability of any given day and time. We propose the Tribal Center, but would be willing to meet in Olympia if it would help with arrangements. We can probably meet at the NWIFC.

We are in receipt of a letter from Dennis McLerran stating that Dan Opalski will be the EPA representative for this meeting.

Thanks.

Hi Jeff,

In response to your request for a government-to government meeting, below are several potential dates/times that EPA is currently available to meet with the Tribe regarding fish consumption rates and Ecology's rulemaking process for human health criteria. I apologize that it has taken awhile to follow up to

your request.

January 31: 2pm-4pm

February 11: 10am-1pm

February 13: anytime except for 1pm-2pm

February 21: 12pm-4pm

February 22: 10am-2pm

Please let me know your availability and feel free to call me if you have any questions. Thanks,

Matthew Szelag
